Team Roles

**Resource Manager:**
- Get supplies for your team and make sure that your team cleans up.
- The teacher may call you over to give you extra information.
- Call the teacher over for team questions.
  “*No one has ideas about how tall 100 pennies will be? Should I call the teacher over?”*

**Facilitator:**
- Help your team get started by having someone read the task.
  “*Who wants to read?”*
- Make sure that everyone understands what to do.
  “*What does this question mean?”*  
  “*Does everyone understand the directions?”* 
- Make sure that everyone understands the team’s answer before you move on.
  “*I’m not sure everyone gets it yet—can someone explain?”*

**Recorder/Reporter:**
- Make sure that your team agrees with your ideas and how to explain them.
  “*Does anyone disagree with this prediction?”*  
  “*How can we explain how we know the height of the 100-penny tower?”* 
- Make sure that everyone is prepared to share the team’s ideas with the class.
  “*Are we all ready to explain this?”*

**Task Manager:**
- Help keep your team on task and talking about math.
  “*Okay, let’s get back to work!”*  
  “*What does the next question say?”* 
- Listen for statements and reasons.
  “*Can you explain how you decided on that answer?”*  
  “*How can we show your ideas using the table?”*
