Team Roles

**Resource Manager:**
- Get resource pages for your team.
- The teacher may give you extra information to share with the team.
- Call the teacher over for team questions.
  “No one is sure about how to show the 100\textsuperscript{th} figure? Should I call the teacher?”

**Facilitator:**
- Help your team get started by having someone read the task.
  “Who wants to read?”
- Make sure everyone understands your team’s answer before you move on.
  “Do we all agree with the pattern that we found? Can you explain it to someone else?” “Does everyone understand why?”

**Recorder/Reporter:**
- Be prepared to show your team’s ideas with the class.
- Make sure your team agrees about how to show your work.
  “How can we write this?”
  “How can we show it on the diagram?”

**Task Manager:**
- Make sure no one talks outside your team.
- Help keep your team on-task and talking about math.
  “Okay, let’s find the missing figures.”
  “What does the next question say?”
- Listen for statements and reasons.
  “Explain how you know that.”
  “Can you prove that with the diagram?”
